

Aris Herzog-Petropakis

Economist, Researcher
& Consultant

EXPERIENCES

PhD Candidate in Economics @ Universitat Pompeu Fabra

UPF + Barcelona School of Economics | Barcelona | September 2025 – present

PhD position (fully funded for up to six years) at one of the world’s **leading institutions for research in economics** as well as political and social sciences.

PREDOCTORAL RESEARCH FELLOW @ CUNEF

CUNEF Universidad Economics Dep. | Madrid | October 2024 – present

- Linking National and Regional Income Inequality in Spain** (with L. Bauluz):
 - Estimation of labour and total income distributions in consistent local labour market areas (e.g. commuting zones) by exploring large micro-data sets from social security and tax records as well as population censuses (with Stata).
 - Researching the interactions between national and local income inequalities and thus filling an identified gap in the reviewed literature with insights about long-run patterns of geographic income inequality.
- Investigating the effect of cyber-attacks on banks and the financial sector** (with C. Chiarella, J.-M. Flores, P. Cuadros-Solas, L. Rossi):
 - Researching, cleaning, connecting and merging plethora of different US datasets including stock market data, bank statements (Compustat), call reports, cyber loss data (Advisen) and risk measures (with Stata).
 - Validation of event study methodology to demonstrate bank performance after cyber-attack and econometric testing of underlying mechanisms after literature review

ASSOCIATE @ PWC ADVISORY

PwC Strategy and Transformation Advisory | Zurich | April 2022 – May 2023

- Data Science Strategy for Swiss Government:** Development and integration of a nationwide data science strategy in collaboration with the Federal Statistics Office.

Barcelona School of Economics | September 2023 – July 2024

Excellence in **theoretical modelling, quantitative analysis**, and data handling, while serving as the academic **student representative** of ITFD and graduating as **one of the cohort's top students** (GPA: 8.6/10).

- Master Thesis analysing (with R, Stata and Overleaf) the BRI's **effects on market access, structural transformation, and vulnerability** titled "Dragon's Path: Can Developing Nations Thrive on China's Belt and Road Initiative?" (Grade: 8.9/10).
- 35% of all ECTS from subjects in quantitative, statistical and empirical methods with emphasis on **public policy and policy evaluation**
- International Trade, Finance and Macroeconomics in several distinct courses as well as **economic development and growth** from both **micro and macro perspective**.

BA Economics @ HSG

University of St. Gallen | August 2018 – February 2022

- Università degli Studi "Tor Vergata" | Rome | Autumn Semester 2020
- Thammasat University | Bangkok | Autumn Semester 2021

Building up a thorough understanding of economic theory and its application in a broad selection of courses while also enriching socio-economic acumen with many different contextual studies (GPA: 5.3/6).

- Courses in micro-, macro-, monetary and public economics while solidifying quantitative affinity through subjects like Mathematics for Economists, and Data Analytics I & II for empiric economic research.
- Bachelor Thesis conducting an in-depth cross-country comparison of the international olive oil market focusing on the Greek economy titled "Green Gold - Analysing the Potential of Greece's Olive Oil Industry".

PERSONAL INFORMATION

28.07.1998

German, born and raised in Switzerland

+41 78 874 74 79

aris.herzog@gmail.com

Travelling, Football, Skiing, Muay Thai, Literature

Other activities

- Skiing Instructor (2020 - 2021) in Lenzerheide @ Swiss Snowsports School
- Travel Guide (2017) in Heraklion, Crete @ Avra Tours

About me

- I am a fast learner with strong analytical skills, who likes to take on new challenges.
- I always find a way to work out solutions independently - even if it means putting in the extra hour.
- I am a sociable, easy-going person and like to laugh.
- My Motto: It only seems impossible until it is done.
